Destination: Kohala Coast – sites to go for great flight deals to Hawaii

Today I am planning my visit to the Ultimate Residence in the Mauna Lani Villages in Hawaii. I'm looking forward to the sunny Kohala coast steeped in sea, sky and serenity – it's my dream island escape. For more information, go to:

Whether it's a vigorous hike or a comfortable afternoon of whale watching on a luxurious ocean-liner, snorkeling over tropical reefs, or touring the island aboard a helicopter, the Kohala Coast has everything I will need to enjoy the island's unique natural environment. I'm going to ask my Ultimate Resort concierge to arrange my agenda of activities while I am there.

But first, I need to make my plane reservations, and I want to get the best deal possible. So I've done the research, and put together this list of five sites that that seem to offer the best flight deals to Hawaii:
